“ I really enjoyed meeting your Mom and seeing her little smile. I would ask her how she was and she would always say "pretty good" then we would enjoy a little laugh that she always had on pretty lipstick.
Me & my Mom are sending our sympathy and our love to all,

“ Our hearts go out to each of you right now, how well we know the feelings you are having. Sorrow, loss and relief... We don't want to give up our parents but we know we can't watch them suffer any longer. God blessed us with letting us have them for so long. Luta is now with your Dad, free of pain whole once again. Find peace knowing this, it has helped me through the hard days since I lost Mom. I know you feel lost right now, somehow you adjust to the emptiness of not having them here to take care of. You have no regrets you have done and been there for her through it all.. You could tell she was so very proud of her whole family, it showed... :)

I love this poem...

GOD SAW YOU GETTING TIRED
A CURE WAS NOT TO BE,
SO HE PUT HIS ARMS AROUND YOU
AND WHISPERED"COME WITH ME."
WITH TEARFUL EYES WE WATCHED YOU
AND SAW YOU FADE AWAY,
ALTHOUGH WE LOVED YOU DEARLY
WE COULD NOT MAKE YOU STAY...
A GOLDEN HEART STOPPED BEATING
YOUR TENDER HANDS AT REST,
GOD TOOK YOU HOME TO PROVE TO US
HE ONLY TAKES THE BEST...
AND HE DOES...

We love you all so much and if there is anything we can do to help, know we are there for you. You have always been there for our Family and we will never forget the love you have shown to us all. Turn to your family and friends for comfort during the days ahead, we will be there for you now...

RIP "Mama LUTA"
