thank you for all the memories. You are the best father-in-law ever. There wasn't anything you couldn't fix, the man with the biggest heart ever and the most compassion. Thank you for helping me and your son get together. I know Nanny didn't like it and neither did Peggy, but we won in the end, we spent 30 years together until the good Lord took him home. I wish I could've been on the wall when you two were reunited. I know you missed him so much. You also will be missed by everyone. I wish things could've been so much different at the end Luther , you deserve so much more. I love you I will always love you and forever remember holding your hand at the end this isn't goodbye this is see you when I see you.

As you like to call me, Cynthia Mariie❤️
