Luther showed up in my hospital room and showed me he also had a hand missing. Luther told me everything was going to be OK and I was going to make in fact he stated "you will make it". Thanks to GOD and Luther I have. Thank You Luther for pushing me in the right direction.*

“ Luther was a person who displayed kindness and friendship whenever I met him. We played baseball together and I had the pleasure of socializing with him at times when we were young. He is going to be missed by all of us who knew him and his family. I send my wife's and my condolences to his wife and children and to his brothers and sister who loved him. I am sorry I cannot be at his funeral but I live in Idaho now and just learned of his passing.

“ I did not know Luther for very long-only through the experience of my son Hunter being in his wife's class but he was a special person to us, he and Hunter share the same birthday and they were found of each other. My husband on the other hand has known Luther for quite some time and he met him through the rancher part of him, he really looked up to him and respected him. He was a great person to us and he will be missed. We are praying for peace in his family during this difficult time.
