“ Glenn and Grace,

*Trying to find the words to say in a time such as this is so hard. Please know that we (all your friends) are grieving with the both of you. I hope you find comfort and peace in knowing you truly have a little angel in your presence. Although we do not understand why things like this happen, just find peace in knowing that everything is in God's plan for the both of you. Let us know if there is anything we can do for ya'll. Conner has been saying a prayer for you both every night when he goes to bed. We love ya'll very much~*
