“Lynnie was a great guy and a good friend. I was fortunate to meet him and spend time with him in Texas as well as in Dubai. Its shocking to hear about his passing away. Its hard to believe he is gone..his wonderful warm smile and the way he always met with a hug and called me "amigo". We spent many an evening discussing our business plans and though things did not work out, it was wonderful to work together and dream that some day we will do big things !! . His confidence and his zeal for life was infectious...May god give strength to his family to bear this unbearable loss and may his soul rest in peace. Will miss you "amigo". - Dave Sheth

I am so saddened with the loss of a good friend. Lenny and I would communicate occasionally just to see how each other was doing. He called me several weeks ago and when I heard "how's it going Amigo", I knew exactly who it was. I had great respect for him as a person. "Lenny, you will be missed buddy". Bill Jarrell
