“ *To the family of Mable Adams:*

I just want to say how sorry I am for your loss. When my family started going to church with her many years ago, she adopted us as her Texas family. From then on, she has been my Texas Grandma. She was such a sweet lady who holds a special place in my heart. She had made each of my kids a blanket when they were born. How dear those are to me and my children. I will miss her so much. I love you Texas Grandma. I know that you are in Heaven with Jesus having a good time. I will pray for you all during this time for peace and comfort.

*Love,
Violet and family*

She was a beautiful person inside and out. We as family send our deepest sympathy and prayers to the family.*
