“ *I was so sorry to hear about Macky. I was lucky to see him most every morning at Walmart...he ready to leave and me coming in. We will miss him and miss him picking on us. We enjoyed his stories. Thanks for sharing him with us at Walmart.*

“ I am very sorry for the loss of Macky Duncan. I will keep his family in my prayers.

I will miss Macky very much. I have worked with him at Walmart for several years and considered him a friend. We teased and aggravated each other daily at work. He was my buddy. Macky was a good, hard worker, and a good friend.
