“ I am very honored to have cared for Mae while I worked at Twilight Home. She was such a sweet person and love to aggravate me. She was a character and will be missed.

“ I'm not sure if this is the Mae Bryant I know but If so, I worked with her at Miller Brothers Hat factory some 30 or so years ago. It was my first experience in the working world and Mae took me under her wing and took care of me. She was a wonderful person and that is the reason I remember her so well. I wish I had a picture of her in this tribute to be sure it is her. It is nice to leave a good legacy when a person passes on. I'm sure she is with God at this time. God bless you all.
