“ *Mrs. Gannon was dear to us in the Rehab department at HOW. I especially enjoyed visiting with her and she was teaching me to draw. She was a patient and loving art teacher for me and she will be missed.*

“ I have so many memories or spending countless hours with Lisa and her family. There are so many parts of life I would never have experienced, had I not know this family. It really always touched my heart that Mr. & Mrs. Gannon opened their home to children in need. I know God will be happy to have one of his angels home!

Lisa, I know you will miss your mom. My mom is 88 also and I can't bear to think of the day she joins Daddy in Heaven. But, I shouldn't because that is what we are all working toward! I have been diligently looking for you! If you read this, please call me 281-734-2253.

Love to you all, Barbara Leggett Adler
