“ Marcus will be missed. He was always one of the nicest people that I have met. He was always quite and soft spoken but you always knew that he was in your corner. He was a friend in many ways.

“ Dear, JOyce, Deborah, Donna & Dana,
I was so sorry to hear about Marcus. How well I know your loss, a dear husband, father grandfather and friend. I lost my Dad 13 years ago and I still miss him, but I cherish every wonderful memory we shared. Time does help. Keep all of your memories close to your heart.
Heaven has received another beautiful angel to watch over each of you. I still remember your Dad and Mom growing up. We had so many good memories of Fannin and the Fun Nights.
You all will be in my thoughts and prayers in the days to come. Time goes by quickly but the memories and friends growing up will always be there. All my love, Diane & Family

“ I don't need to tell anyone what a wonderful person Marcus Humbert was. Everyone who knew him knows this to be a fact. I have personally seen the love and dedication he had for his daughters, wife, grandchildren, and great grandchildren. I have personally experienced the love he had for his extended family. He became the grandfather and great grandfather to my son and grandson.. he became my family when my brother married his daughter. A finer man never walked this earth, a more loving and compasionate man never walked this earth than Marcus Humbert. While we will miss him, here on Earth, he is in a place we can only imagine, and he is there taking care of us all. We will see him again in another life where there are no illnesses no pain and no sorrow, only great rejoicing with our Lord and Savior. Please be comforted knowing that he is there waiting with open arms.
