“ *I consider myself one of the lucky ones to know have had "Nana" touch my life. She always had a smile on her face and her door open for me and Emily to run in and out of as kids. Emily, Linda, Roy, and family thanks for sharing her with me and I am thinking and praying for you in this time of loss.*

*Love,
Crystal*

“ Having lived next door and down the street from "Nana" and Roy and Linda and family, and feeling like family all these years, my heart goes out to you all and may the Lord bring strength and guidance to you all. I loved visiting "Nana" and have always been treated like family from her and your family. She will be greatly missed by our family.

“ God looked around His garden and he found an empty place. Then He looked upon this earth and saw your tired face. He put His arms around you and lifted you to rest.

“ I am truly sorry to hear of your loss. At a time like this, words can be comforting, but the pain can be unbearable. That is when we can turn to the only One that wrote the comforting words of the most comforting book I know, The Bible. I pray that God gives you the everlasting peace and comfort that can only come from Him. May God truly bless and heal the hurts you have.
