

Margaret Eleanor Hays

October 9, 1922 - February 19, 2024

Margaret Eleanor Armstrong Hays (Margie) was born Oct 9, 1922, and went home today peacefully in her sleep, February 19, 2024. We can honestly say she lived a full and happy life. Giving and doing for others was her love language.

On a personal note I am grateful for all the beautiful dresses she made me for Every event I Ever attended, down to my amazing wedding dress.

She was full of stories that would make your stomach hurt from laughter, she had quite a sense of humor. We miss her dearly already, but our hearts are happy knowing she is hugging her sons, Donny and John and my Grandpa J.

She was truly one of a kind. I am so blessed and grateful she was my grandma.

There will not be a service. She wanted only to be cremated and her ashes to be spread on the Navajo Reservation, where my grandpa and she once lived on.

Thank you all already who have reached out. She would have loved all the wonderful memories you've shared.

“ I met Margy when she became a literacy volunteer at Navarro College in the early 1990s. She was a happy, agreeable person and we all enjoyed working with her. She also sewed a matching set of clothing for my young girls and me, and the quality was excellent. I've been gone from Corsicana for 30 years, but seeing her picture brought. Ack many pleasant memories of a life well lived.
