“ *I'm so glad we got to speak again recently. Grandma was always very affectionate and loving towards me and I am thankful for that. I know my husband has some funny and silly stories and fond memories of when he and his brother were young. I pray my children will love me as fiercely and sincerely as my father in law David loved his mama when they are grown. I'm thankful for the recipes she shared with me and the advice she gave me which showed her strength and character. She knows I love her and my only regret is that our family didn't get to spend the last few years with her. My hope and joy will be getting to catch up with her in heaven one day. Love, Angie Stanczak, condolences to all. God bless.*
