“ *Aunt Maggie was my best friend, my dear aunt, my second mother, and an all-around great human being. We spoke on the phone every day, just a quick chat to catch up on each other's day. Margarita lost her courageous, hard-fought battle to a dreadful disease but my memories of Aunt Maggie will be of a happy, easy-going spirit who loved to garden, mow the lawn on her riding lawn mower, and be with her animals. Margarita was also a true patriot who loved freedom and justice.*
