“ To my Aunt Margie, what do I say? You are a true family person and if not for your family you would not have survived.

I know you are in a better place but will be truly missed. You leave a true legacy with your family and tough shoes for your girls to try and fill.

To all the gatherings and all the good times you, aunt Margie a strong women.

We should all feel better just know ing you are up there looking down on all of us and making sure no harm comes.

Please give hugs and kisses to everyone up there for we all will miss you but keep you in our hearts.

“ Words can never express the love we share for Aunt Margie. I will miss our visits by the fireside the most, enjoying good family and conversation. If I had to say one thing about Aunt Margie, it would be that she dearly loved her family more than anything, and it showed. We will miss you til we are together again someday!
