“ I loved to hear all her stories from Old Corsicana. She loved cookies and was always willing to share. She also loved those big fat dill pickles. She called them school girl pickles. Her blue eyes lit up when she smiled. It just won't be the same at Trisun without her. Mike thank you for looking out for our Mom. Someday her and Mrs Dowd will swap stories about their adventures together like them trying to escape through the back door. Prayers for the Dowd family tonight. Love you guys.
