“ *My heart is hurting for the many people my Aunt Chole has touched with her everlasting love. I speak for my dozens of relatives and for Aunt Chole's very large number of dear friends in every community she has ever been a part of. Her love and devotion as a dear mother to Ben Jr. and Stephen and all her extended family and to Uncle Ben and all of her present and past siblings will be greatly missed by all of us. She is home now and my heart is filled with joy that she is now at rest in the arms of her creator and I feel comforted to know there are many there to greet her and help her in her everlasting journey of love and light. Although as a family, we haven't been close for the last decade or so...the solid foundation of love that my elders in the Vasquez family and all the in laws has made me a rock and has made me what I am today. Let us celebrate the memories of love, happiness and comfort that Dear Aunt Chole always had an abundance of for us all. Amen.*

“ *Big Ben, Ben, Steve, and family, I just wanted to say that I am thinking of all of you at this time. My heart is very heavy trying not to be sad, but happy that Maria is in a place of peace. She was so special to me, the closest to a 2nd mom that I will ever have. I will miss her greatly but so glad for the times we had together and the laughter. She always told me to "just live and be happy" well that is what she did and those grandchildren could not have made her happier. God bless each and every one of you. Becky*

“ Ben, Ben Jr., Steve and families,
I was so sorry to learn of Maria passing away. She was such a special friend to everyone she knew. I enjoyed her when you, Steve, and Wayne were in school together, as we joined in all the activities that Moms do.
Just know that you have a ton of people who love you and are praying for you right now. May God give each of you that "peace that passes all understanding" as only He can do.
Love ya'll,
Pat Owen

“ *To the Aldama Family: I'm so sorry for your loss. Maria was a dedicated family woman and the loss must be very hard on the family. Maria leaves behind many happy memories. Here's hoping you're able to find comfort in those memories with each passing day.*

Maria was Dr. Dave's nurse for many years and was always good to me and my family. Her kindness and great bedside manner can never be duplicated.

I had the opportunity to work with her while she was working with Dr. Dave. We shared many laughs - and a few tears as well. She was a great mentor to me as I grew from a young girl into a young woman.

I lost touch with Maria when I moved to Dallas - yet everytime I smell Opium or hear Whitney Houston's "Greatest Love of All", I think of Maria.

My thoughts and prayers are with you all.

“ *To the Aldama family,*

My thoughts and prayers are with you all during this sad time. Mrs. Aldama was a wonderful, kind and always friendly person. I will always remember her beautiful smile when she would greet my mother and me before Sunday morning services at Westminster Presbyterian Church.

Stevie , Ben Jr and Uncle Ben I love y'all and I know words wont help right now, but I know grandma and grandpa where there waiting for her. We have alot of great memories going on trips together to Colorado, Galveston and then to aunt Pat's house. We talked about our trips every time we got together and those are memories that will stay with me always:)

I know how hard it is to lose a parent and the hollow feelings it leaves. “ Dear Ben and Family,

You may not remember me, but I worked at Beall's Department Store in the old Navarro Mall in Corsicana. I knew Maria from Dr. Dave Campbell's office. Maria took such great care of my mom, endearing herself to mom and me. She was a delightful person and I will remember her beautiful smile and kind manners. It is a blessing to have known her and called her friend.

My most sincere sympathy to you and your family,
