“ *Meine Tante - Thank you for being such a vibrant, wonderful part of this family! I will never forget your compassion and love during some of our darker moments. I will always treasure your dignity and grace. Your smile was infectious, and your laugh uplifting. One of my fondest memories is of you on the deck with a fresh, hot cup of coffee. My dog had her head in your lap, and you were petting her right to sleep! The October sun was warm, and the smells of autumn were everywhere. My children were young then, small little things. You took them into your heart, as they did you. I wish we could have had one more time together, but that was not to be. Your memory will live in my heart until I die. My love goes out to all those who will miss you, most especially your wonderful son, Lars, and the siblings who must now say good-bye. There are many of us who feel this loss. We hope you are at peace. Love, Jean -- Assonet, MA*
