“ *I was very saddened to hear of Marion's passing. We go back many, many years and have all gone our separate ways, but I could still run into him out and about usually at Walmart and always was very sweet and friendly. I know he is in a better place and he was ready to go. It is always hard to lose someone you love. Find comfort in knowing he is at peace now, no more struggling, sickness or pain.*

My prayers are with you in this difficult time. I know that Mickey was your world and he will be so missed. He was a man of many talents. And was a joy to talk to each and every time I talked to him.

Donna, I know that you are so heart broken but you know that he is in a better place and is with your Mother now after being apart for so long.

My love and prayers are with you.
