“ *We are so sad to learn of Marjorie’s passing! We live near SLC, UT and last saw her in May of 2018 when we called to say we were taking a trip to the Gulf Coast. We asked if we could stop by, take her to dinner and catch up. She insisted we spend the night. We had so much fun listening to all her stories about her cruises and other trips. Marge was a sweet friend and we will miss her! Georgie, if you see this, please call.*

Sincerely, Gary & Sylvia McGuire 801-301-0040

“ From Auntie Marge, I learned that a woman can be whatever she wants to be. She was an excellent blackberry pie maker, an amazing quilter, she could tend cattle and bottle feed a calf like it was no big deal, her laugh was funny, joyful, and contagious, she was a great businesswoman, she built me up and never tore me down, she always loved me (and I knew it), and I loved her very much.

“ I will never forget Marge and her kindness. She picked my mom up for church, PAL luncheons and so many other things. She was a blessing to mom. Mom had to go into the nursing home October 2019. Marge was always on the go. May God be with her family and close friends.

“ Marge loved life, her friends, her family, traveling and doing new things! She loved animals and believed in giving people second chances. Her side kick Beverly was always with her and Marge loved her like a daughter. Marge's laughter and zest for life will be missed dearly. She is now reunited with her daughter and husband. Forever in our hearts.
