“ *To the Harrison and Chavers Families:
So sorry to hear about Martha, we share in your sorrow.
She was a sweet lady and neighbor in the Post Oak community. Our families spent many hours visiting and playing dominoes, drinking coffee and eating wonderful pastries when Glen and I were growing up, The Post Oak community was more like one large family and I love to still think of all of you as family. We all have many wonderful memories and we can be comforted with those memories and be thankful for the parents God blessed us with.*

*We love each of you and ask God to give you peace.

“ Dear Dean, David, Kathy and your families, I am so sorry to hear that your most dear mom has gone. She was such a NICE person...and it's reflected in each of you. I liked her. I am so sorry that she is not with us now. But we do know she has "graduated" to her reward...and that is wonderful for her. Sending my love and sympathy to you,
Cousin Louise

“ Kathy,

I am so sorry for the loss of your Mom. I did not know about it until this week. I lost Ronnie on Monday night the 7th and was out from work the rest of the week. I loved your Mom, she was so kind and sweet. I remember when I would ride my bicycle or walk to your house to play. I know you will miss her but she is happy to be with your Dad. You are in my thoughts and prayers.
