“ Her favorite color was blue
she was loved by everyone that she knew.

she loved to travel and collect bells,birds and spoons
George strait played her favorite tunes.

she had a book to document everyday
an she always encouraged us to pray.

taking pictures was a lifetime thing
with her favorite season being spring.

there was always sunshine in her smile
and love that made our lives worth while.

We know your safe with Pawpa now
so go ahead and take your final bow.

I love you
