“ *Oops, I meant to say "Gideon" in my message about Martha. My apologies.....*

“ *I'm so sorry to hear of Martha's passing. We worked together when she lived in Houston and I heard many stories about Debbie, Janette, Gabriel, Jim, and Ed. We exchanged letters for a while after she moved back to Corsicana but lost touch after that - to my sorrow. She was by far the most Godly woman I've ever known.

“ *I have known Martha, we called her Sis, and her family for many years, and I remember a lot of nice things about her. She had a beautiful voice - she could sing like a bird. She liked peanut butter, mayo and mustard sandwiches. She was kind enough to invite my bro and me on outings with her family etc..
I did lose contact with her after finishing school but from all the beautiful comments, I am sure she turned out to be a lovely lady. To Martha's loved ones I would like to say, "Earth's loss is Heaven's gain and may the Jesus that Martha loved so much, surround you with His love and heal your sorrow.*

“ I will miss Ms Little until I see her again someday in Heaven. She was my Sunday School,teacher when I was a child and also as an adult. I have truly loved her as long as I can remember. She never said any negative words against anyone. She saw only the best in everybody. She will truly be missed by her friends and family. To know her was to love her. My heart goes out to her children that she loved so much.

“ *Grandmother you will be missed so dearly. You were one of the kindest ladies I have ever met. Ethan and Braden will miss you so much too. Dusty always told me so many stories of how you picked him up after school and how he stayed with you a lot. He loves his grandmother that's for sure. I'm glad I became part of the family and was able to also call you, GRANDMOTHER. We love you, rest easy.*
