“ *Betty:*

I am so sorry to hear of the passing of your mom. It has been so many years ago that I met her and many years since I've seen her. But I do remember a very, very sweet lady.

It is so hard to lose a parent no matter our age. They guide us, teach us, give us unconditional love and a shoulder to cry on. I pray that you will feel her love always surrounding you by a small breeze crossing your face in a caress, a gentle touch in your dreams and that you will see her face each time you look in the mirror. They will always be with us in all that we do until we join them again one day.

“ I am so sorry about the passing of Martha Long Mother of Martha and Jerry Long. My thoughts and prayers go out to you Martha. Your mother is in Heaven and God shall wipe away all tears from her eyes and there shall be no more death, neither sorrow, nor crying neither shall there be any more pain; for the former things are passed away.

“ Mrs Long,(MeMaw)has been like a second mother to me since I was in the 7th grade. It would take too long to mention all the memories I have of MeMaw and the whole family. We knew it would happen and knew it wouldn't be easy to let her go. She is where she is needed now. We may be left with memories, but they are all wonderful memories. She held her family together and touched the heart of many she met. Sometimes I drive down the street and pass her house because it makes me smile, I know many happy memories were made there. I know I will never forget mine. Love you all.

“ I offer my sincere best wishes to the Long family and express my admiration for Ms. Martha Eva Long, whom I knew not directly in life other than through her daughter and son, Martha and Gerry, (deceased), who did and still does bring her honor.
