“ Gary and family our prayers are with you. There are so many words and memories I could mention but I don't know where to even start. Martha was my little baby doll when we were children. I can still see her little cotton blond hair. Our times together going on fishing trips, working on crafts with her. We loved her deeply and you all too. We will hold these memories in our hearts and cherish them all But she is walking the streets of gold now and walking with the lord and mama and granddaddy.

“ Words cannot express how sad I am over this huge loss. Martha had her ways but she always had a big heart and a contagious laugh. She will always be remembered as one who makes everyone feel at home when she was around. She was a very special person.
