“ *Dear Otto-*

*We just got the sad news that Mary lost her battle with cancer and wish we could be there with you. She was such a nice bubbly person and had an infectious laugh through everything! She was always fun to chat on the phone with and we feel lucky that we got to know her. The picture you had of her in the newspaper was beautiful. She loved all of the trips that you went on together and couldn't wait to tell us about each one and the fun things you did. She will be terribly missed by lots of people. Our thoughts and prayers are with you Otto and you can be sure we will stay in touch.
Love,
