“ My brothers and I sincerely appreciate the outpouring of love bestowed upon our family at the passing of our mother . She (and Dad) left us many wonderful memories and a legacy that humbles us. "Thank you" falls far short of expressing the depth of our gratitude.

“ Mary was one of the first people to welcome me when her brother-by-marriage, my future husband, Bobby Ward, brought me home to Corsicana to meet the family one cold winter weekend in 1960. We always kept in touch. She told me that she loved Bobby like a brother from the first time she saw him.
