“ *An aunt who will always be remembered and has a very special place in my heart. I know she is finally at peace and home with her parents, siblings and husband - she now will be watching over her brothers and all those dear to her. God bless and I love you.*

“ *Remembering Aunt Mary Frances will always bring happy thoughts. She was an inspiration to anyone who knew her. I especially cherish conversations with her when I was grown with a family of my own. We will miss her, but it's a comfort to know she is with her Saviour and others in her family. We can look forward to seeing her again. My love and heartfelt sympathy go to Uncle Billy, Aunt Zola and many other family members.*

“ Aunt Frances was a kind and loving woman, totally devoted to her family. She made my family feel so welcomed when we visited her and Uncle Tommy. I always looked forward to seeing the quilts and other beautiful creations that she was working on. She shared many of them with me and I was very touched by her generosity and inspired by her creativity and talent. I don't think she realized what a gifted artist she was!

The kindness and love she has shown to me and my family will never be forgotten. We will miss her but are comforted that she is reunited with her family, friends and loved ones who have gone on to be with the Lord. God's blessings of peace and comfort to all.
