“ *I will always remember visiting Mary and Leons home on highway 22 as a small child. They always had plenty of smiles and kind words. As we all grew, Mary served us faithfully in the church in VBS and other activities. She always smiled and made everyone feel valued. Her life was an example of her Christian faith. She has been a wonderful role model.*

“ It is never easy to say goodbye to a wife, mother, friend, or relative. But, this is not goodbye, this is farewell for now. God has a special place for you. Frost Baptist Church will forever miss you. You were always giving of your time. You were a wonderful wife and mother. I'm proud and blessed to call you Aunt Mary. You and Uncle Leon took care of my Mom and Dad when they were sick. Your love, work, and prayers were endless. You sent me a Birthday card every single year until you got sick. I frequently read them over and over and smile. I spent the night with ya'll when I was a kid. Of course Paula and I had our frequent giggle attacks! You had a wonderful sense of humor, and Gary thought you had the "cutest smile". You have left us with many fond memories.

God is love. We love you all.

Leon, you and Mary are so dear to Brooke, Chris, Nathan and Noah and Wayne and me. You never turned our little grandson away when he wanted to ride with you on the lawn mower. You both lived out our Christian calling to be sold out to Christ in our thought, word and deed. You lived out your calling in your love for friends, neighbors, church members, pastors and family. It was your love and care for an ill neighbor who did not even attend your church that ministered so much to them that they endowed your church with their home. Our children enjoyed the benefits of living in that home! Thank you for your loving care of our children and grandchildren. But most of all, thank you for your loving care of dear Mary, who loved you so much. I look forward to seeing Mary on the streets of gold and worshiping our Lord together once again! We are so sorry for your loss, but we are rejoicing in heaven's gain. Another faithful soldier has gone home. We love you.

She was the best Aunt you could ever have. Always aware, witty, and comforting to her silly nephew. I'll always treasure those lazy afternoons we spent on Grandmother's front porch with various family around. I'll miss her birthday cards ...

Love, Don Mosley

I was present for my share of the lazy afternoons, bored and trying desperately to behave. I remember her affording me knowing patience, a wry smile, and candy to help me calm down.
