“ *Donna Kay & Danna Lou*

Sad to hear about your mother. I saw her a few years ago in Waco with one of your girls, Donna Kay, and to me she looked like she did when we were girls.

I always thought it was cute the way she called you girls Don and Dan

Bless her heart she worked hard to take care of ya'll and your daddy, but praise God there are no more hard days, and she is with him again.

“ *My Sincere Sympathy to the family. I do not know your family. Just wished to offer my condolences to the family. The Bible's promise of a resurrection is a sure hope. (John 5:28,29) May happy memories and love of family and friends and the Bible's promise comfort you all in the days ahead.*
