“ *Mary and my mother, Hazel Merrell, were good friends for a long time through the Eastern Star and the Church. Dottie was the flower girl in my wedding some 50 years ago. I left Corsicana 50 years ago and only saw Mary a few times when I was in Corsicana. She was a really sweet person and very thoughtful. I know how much mother thought of her even though mother was much older. My prayers are with all of you. Love, Pat Welkener*

“ *Dottie,  
It's been 30+ years since I last saw you, but over the years I often had opportunities to visit with your mother. I'm so sorry for your loss. Mary was a beautiful lady and I will always remember her contagious smile. May God's love see you through this most difficult time.*

“ When we had a viewing for Laverne at this funeral home, I was trying every way possible to notify Mary Ruth of her passing. When I asked Mr. Roughton if he had any ideas about how to contact her, I was saddened to learn that she had passed just a few weeks before Laverne. May they find one another in the Kingdom of Heaven and have a good laugh about it.

“ I'm sorry to learn of the passing of your mother. While we were not related, she always seemed like a distant cousin. She was raised by Aunt Susie and her husband Adolphus (Dolly) Gideon. "Dolly" was my grandmother's brother who died in 1940. My sister and I spent our high school years living with my grandmother in Corsicana. When my father died, my mother moved back to Corsicana where she lived until she died in 1988. After that I only returned to Corsicana for a couple of class reunions in 1997 and again in 2007. Mary Ruth and I exchanged Christmas cards with each other until the early 1990's when I lost track of her.

“ *I am so sorry for your loss. Mary was a wonderful woman. She was always so sweet to me and made me feel so welcome when I was in her home. She was very much like Aunt Susie as they were both two of the sweetest people on the planet. Please take comfort that she is with your Dad, Aunt Susie, Stanley and a host of others who love her.*

“ *My father and Mary's mother were brother and sister. I loved Mary as if she were my sister. I would spend two weeks every year on Aunt Susie's chicken farm out from Blooming Grove. I always looked forward to seeing my Aunt Susie, Mary and grandmother Missouri Elizabeth (Johnson) Gillen. Reading by coal oil lamps, sleeping on feather beds and feeding the chickens. One year, they had an Aladdin lamp, boy, what a difference. Mary and I drew closer in our later years. My wife, Evelyn and I would spend the night with her on our yearly visit to Mexia for the New Hope cemetery reunion. Dottie, I am so glad you got to take care of your mother the past year. You will cherish this time more as the years go by. Evelyn and I pray that God will comfort you and all of Mary's family in this time of sorrow.*
