“ *Wow! I loved this woman. Jo was simply one of the greats. She had a passion for children, teaching Sunday School at First Baptist Corsicana for well over 20 years. She loved and taught both my children in first grade Sunday School at First Baptist. She was a delight to have on both trips I took the Senior Adults on to England, even when she and Linda Fannin blew out the electricity for West London because they didn't use an adapter to turn on their hair dryers! LOL! She will be sorely missed.*
