“ One of the first conversations I ever had with Louise was on break at MAC back in the early 1980s. I was the new employee and she was the "ole" employee. She was explaining to me who Martha and George were (an inside joke), and I told her that "God made her [Martha and George] just like He made you [Louise]!", and in her usual sarcastic way she told me what I could do... (Use your imagination) After working together for many years at MAC, our paths crossed again in the mid 2000s at NC. I was the medical coding instructor and Louise was my student. We had a blast! Louise went on to get her national certification and later replaced me as the instructor at NC in 2010. We kept in touch from time to time about her classes and mine, shared classroom stories, etc., etc. She will be greatly missed -- her dry sense of humor, her sarcasm, her willingness to do better and be better, and her huge heart. I'm very thankful to have known her and I'm very glad God made her just like He did [Martha and George]. Peace to her family and her many, many friends!

“ I loved to visit with Louise. She always lifted my spirit and helped me with whatever I needed. When the university needed classrooms, she would always find a solution. I knew I could always call on Louise. She and I also shared a love for animals. Living in the country, I always had strays put out at my house. I could call Louise to help find a home for the animal. She will be deeply missed.

“ Louise was always a pleasure to work with. Even on my worst days she could bring a laugh to my lips and smile on my face for the rest of day.

She really was one of those dear and special people that made Navarro College what it is. No matter how crazy things got, Louise was a constant and always fun to chat with.

“ Charlie and family,

It's been years since I've seen Louise, but she had a big impact on my young life when we were growing up near the fire station! We all thought she was the prettiest girl we'd seen and so sweet to us kids. I pray for the family's strength and peace during this time of grief.

“ Quite a shock. Had been wondering how Louise was doing. Never will forget "Aunt Louise" in Corsicana High School Band, a fine and witty person with a great sense of humor. Will miss the thought that she is among us, will never forget her. And yes, most of the guys in high school had a crush for Aunt Louise, and who could blame them? Louis Elliott
