“ *Sweet Claire, I'am just now learning about the loss of your mother. She was adorable and cute as a bug! I remember getting to spend the night at your house in Frost. We had the best time. Time is passing us by. It is so hard now that our parents are gone. When I come to Frost I always pass by your house with fond memories. I go up the hill to stop in front of my Grandma Scotts old house. I love that run down little house once filled with love and the worlds greatest grandma! Say hello to James, Caroline, and Jonathan. Perhaps one day we will run into each other in Frost. I will be thinking of each one of you. My mom loved your mom. I would have come to her service if I had known. “ *When I was a young girl living in Frost, Lina's family was our neighbors. She was a teenager and I really looked up to her. I thought she was the most beautiful girl. Also she and I shared the same birthday. One year for my birthday, my parents invited her to have lunch with us. That was a special treat for me. It's funny that I was just thinking about her a few days ago. I have many memories of the McCormick family when we were neighbors and my prayers go out to those who are left behind.*

“ Friends since Jr High. We shared good times while in school and after I retired. Your mother and aunts were always there to guide us. Your family and many friends will always miss you.

“ Claire, James, Caroline, Jonathan.....please know you are in my thoughts and prayers during this difficult time. Your parents meant a lot to my parents through the years. Daddy loved his visits with Jim Bob (and Bo!) and Mom called Lina through the years after Jim Bob and Daddy were gone. God Bless you all. With love, Jamie
