“ *Matthew,*

You were always a good kid. You always said hello and took the time to play with Camacho. He misses you very much. You were like his big brother. This summer won't be the same with out you here to jump on the trampoline or swim in the pool. You were always a good freind. Camacho loves you.

You were always a good neighbor who would help when asked. We will always love you. We miss you very much. The street isn't the same without you riding your bike or walking to your friends house. We always enjoyed having you over the house. We miss you. We love you. Please keep watch on all of as from Heaven. Natasha, Evelio, Camacho and Mrs. Wheeler.

“ Hey Matthew I know that you can't read this but I know you can see me from heaven and I know that you know that I will miss you, along with alot of other people. Remember when I used to come over when your mom and my mom would hang out and we would go playing in the trees by your house pretending like we were searching for something and playing numerous games? I do. Those are some of my fondest memories about you. Not once was i ever bored because of your endless imagination. I can't imagine what it is going to be like now just knowing that I can't go back to that. I'll miss it. I know you are 3 years younger than I am but you were mature for your age and even though I haven't seen you in so long, It hurts to know that I won't see you again. Im sorry that this happend to you but remember I love ya and I'll miss you.

To the family, Dawn I can't imagine how heartbreaking this is for you. I know "everything happens for a reason" doesn't cover it now but maybe someday we will know why.

Megan, Wow, I don't even know what to say to you, thats your baby brother...I know you helped raise this kid... And its more like losing one of your own I can imagine...but you'll make it through this. You always knew how to pull through the hard things in life. God knows you've experienced them. hang in there.

Tommy- Im sorry that it happend buddy, i know you lost your best friend. Just don't ever forget him and all the fun times you had. Big brothers looking down on you so anytime you need him just talk to him, he can hear you.

Jason-I've yet to figure out why it had to be you that this happend to. I don't think there was another person in this world that loved those two boys besides their mom and siblings as much as you do. It was just a freak accident...It could have happend to anyone I suppose. Hang in there for Tommy though, I know it will be hard but he needs you more than you know now.

I love you guys, I hope everything works out for you. God Bless You.

“ To Matthew:

I always took for granted, what I thought I'd never lose. Because I never thought it would happen, until I heard the dreaded news. They say you were chosen for his garden, His precious hand picked bouquet. "God really needed him, that's why he couldn't stay." Saying good-bye is never easy, it's the hardest thing to do. But what hurts me even more is not the chance to say it to you. So today, Jesus, as you are listening in your home above; Would you go and find Matthew and give him all my love.

To Megan:

Please keep a open heart for God. There is a reason for everything. I know you've heard that time and time again and might not see it right now, but God does love you very much. Just think, Matthew if finally back with Matt where he truly has always been in his heart. I can see them now smiling and playing and remember how Matt used to let him ride on his shoulder? I know Matthew is much bigger now, but I can still see them. Be happy for him. He is watching out for you too now. I will see you soon. I love you. Cathy

To Dawn:

I can't even begin to imagine what you are going through right now. You have been selected by God to be special in only a way he can define. I immediately thought of you when I heard the news. I don't know if words can help you with the emptiness you are feeling right now. I am guessing you are needing answers and I don't have them. Believe me I wish I did. If I can help you in any way, please let me know. Cathy
