“ I met this sweet lady at the age of 16 in the cosmetic department of Woolworth. She taught me so much as a teenager. I have always had so much respect and love for her. I always admired her. I love and will miss her very much. I didnt get to see her much even though I live just down the street from her, but just knowing she was there. God has recieved another angel. I just wished people like her, God would leave her to be my angel

“ I was so sorry to read of Mattie's passing. She has always been one of those customers that it was a pleasure to assist. She was so soft spoken and sweet every time i waited on her. I will miss her coming in to the bank. My prayers are with the family during these dark days.
