“ *She was roommate with my sister-in-law Hazel Phelps at Heritage Oaks, that is how I became acquainted with her, she was a lovely person, and I enjoyed knowing her, she was so friendly and pleasant to be around. Her and Hazel had so much fun, joking with each other. She and I would jokingly complain about our names, since they were the same.*

With My Deepest Sympathy,

“ Dear family,
Maudine was the sweetest and most precious lady that I have ever had the chance of knowing. I enjoyed working with you as a kid in Dorsey's store. I will always have my memories of that. And I will always have the memories of Maudine getting onto me, making sure that I was good to Ace and treated him right. She would always say how she didn't know how he put up with me. She will be greatly missed by the both of us. Our prayers and thoughts are with you and your family. God Bless you.

“ Although I didn't know Maudine personally, I remember Daddy, Harlin Whitener, talk about her, Adel, Fuzzie and Pig with great fondness. Steve keeps me up to date on the Whitener cousins. My thoughts and prayers are with all of you at this difficult time.

“ Maudine was a very sweet lady who never said a unkind word about anyone. Always had a smile on her face. She will always have a place in our memories & our hearts. There is always a certain someone that leaves a lasting memory with you when they are no longer serving this earth & that would be Maudine she will be dearly missed. Lisa

“ I will always miss going to work with my mom and going to see Maudine. She used to always give me these little velvet coloring things, and we would color together. She will be greatly missed and always loved.

“ My Granny was such a wonderful woman.
I will always cherish the years I spent with her.
I last visited with her Sunday the 12th. She was not well, yet she was making jokes, laughing and scolding my youngest son for being too loud in the hospital.
My boys and I will miss her deeply.

“ Maudine had a way of making you want to stop in and visit - a quick wit - a little joke - and a kind word. Who wouldn't enjoy that? But most of all, she and I loved to talk about our Mothers. We knew each other's Mothers before we knew each other. I loved her Mother, and she loved mine. Then we would talk about our grandparents. My grandfather pastored the church that her grandfather founded - many, many years ago. So many stories we have told in the last two years. So many laughs. Her Mother, Mrs. Whitener, was a character (just like her daughter!). In fact, I often called Maudine, "Mrs. Whitener." Maudine took me back to a simpler time - a precious time. I will miss that so much. She was God's special gift to all of you. I know you take comfort in knowing she is with the One who loved her most and with the family gone before her.

“ I would like to say how much we appreciate your kind and loving words about our mother. She, indeed, was a special lady and will be missed. A special thank you to Brenda Dancer (Maudines' granddaughter) who was allowed to witness and relay to Maudines' children the re-uniting of our Mom and Dad.
God is good!!

“ To the family of Granny Wright: We just want you all to know that you are in our prayers. Granny was very special to us as well as to all who knew her. We lived next door to her in BG until she moved into Heritage Oaks. We truly miss the over-the-fence conversations, hearing her jigsaw in the mornings when she was working on her woodwork projects and listening to all her funny stories. She was a true joy to know and live next to. She was truly a happy person and I'm sure she is even happier now being reunited with the loved ones she has missed over the years. We are all blessed knowing we have one more Guardian Angel to look after us!!!

“ To Granny:
You will be missed and never forgotten.
I am truly grateful that I was able to know you and have you as a grandmother. I am also grateful that you got to meet Caleb and when he is old enough I can tell him about you and show him the pictures I took of you and him.
Goodbye for now
Love,
Eric
