“ *On my last visit to Texas Maxine showed me their old cabin in the back yard. She was proud to take me through it and show me all the stuff they had put in it. Her house was always open to visitors as her heart was. She will be sadly missed by all that knew her. Prayers to her children , and grand kids , and even great grand kids. She is at peace now and I am sure her and Lester are smiling again. Peace go with her family and smile for she is happy again.*
