July 27, 1982 - February 27, 2015

Melinda “Lindy” Denise Broxson of Irving, TX passed away Friday evening, February 27, 2015, at Medical City in Dallas, TX following a valiant, intense five-month battle with Leukemia. She was 32 years old.

Lindy was born July 27, 1982, to Evelyn Lipscomb Broxson and Don Broxson. She attended Mildred ISD, graduating with the class of 2000. She received an Associates degree from Navarro College and a Bachelor’s degree from The University of Texas at Arlington. Lindy was passionate about music and singing from a young age and was frequently requested to sing at public events.

The world has lost a talented, loving, and devoted daughter, sister, aunt, niece, cousin, friend and fiancée. Her generous heart and optimism will be missed by the many people she has touched during her fleeting yet rich life. Lindy will be remembered for her contagious smile, beautiful soul and innumerable graces.

Lindy is survived by her parents Evelyn Broxson of Eureka, TX; Don and Janet Broxson of Navarro Mills, TX; brother Donnie Broxson and his partner Todd Nguyen, brother Matthew Broxson, his wife Tiffany and daughter, Tatum; her step-siblings Kimberly and husband Jacob Eldridge, Gerald Clore, Jr., and Bobby Clore; her fiancée, Scott Hancock; as well as many loving aunts, uncles, and cousins, extended family and devoted friends.

Lindy’s brave fight with cancer, her loving gestures and keenly positive attitude brought many more friends and admirers into her life over the past

few months. She considers her caregivers and fellow patients as family. Her impact has been felt globally, with condolences pouring in from six continents. Graveside service will be held Saturday, March 7, 2015 at Eureka Cemetery in Eureka, TX at noon led by Tony Neal and Benny Cook, followed by a celebration of her life at the residence of Evelyn Broxson. “ *Funniest story I have heard about Lindy. When Lindy was younger, my wife taught her piano. She came to her lesson one day and right away she said she did not get to practice that week but she did practice in her head! That was the cutest story!! God bless your family! Prayers are with you all. I know Lindy will be dearly missed.*

“ The memories we shared as two teenagers with the world on front of us and moving to stop us will always be with me. Laying on the floor of your fathers house watching movies with kimbo and Matt and everyone else will always be with me. You were so special to me when we were kids and I will never forget you. I know in my heart I will see you again and we will laugh at all the stupid things we did and stupid things shouldnt have done. We went our separate ways and I hope that you found the happiness that I did. I am so glad I got to talk with you again a few times before you left us. I hope you are having an awesome time and I can't wait until I see u again.

“ Lindy was the kind of friend who always had a smile and could see  
the good in everyone. I had the pleasure of knowing her for 22  
years. She was my roommate in college. She was a person in which  
I could confide. Just recently we were able to get together and talk  
about old times and the new adventure to come. She was one of my  
oldest friends. There will never be another person like her. I love  
you Belva. May flights of angels sing thee to thy rest.
