“ *I am so sorry for your loss. She was a beautiful girl and holds a special place in my heart, as does your whole family.*

I have good memories of her sitting with my son, Jonathan, and I at Patrick Baptist Church. She sang from her heart and it truly blessed me.

She brought so much joy to everyone she knew and will be missed.

“ Caudle Family,

My thoughts are with you during this time. Melissa was very special to me. I remember her staying in the nursery with me and not wanting to move up to the next class. I loved her very much and ever though I havent seen her in a long time, she had a special place in my heart. I love you all and God will guide you during this time. Love you all, She-She

“ David, Debra, and kids,

I want to tell you that we love you and we are praying for you during this difficult time! This news of Melissa's passing was quite surprising, and my heart is saddened for you. I know you will miss her dearly.

I was talking to Susan last night and she reminded me of one of Melissa's favorite songs growing up at church...from the rising of the sun to the going down of the same, the name of the Lord shall be praised... so Praise Ye the Lord! I can still remember her singing that to the top of her lungs, with that beautiful smile on her face! I can just imagine that today she is singing that song louder than ever, and dancing up and down the streets of gold with Jesus!

I look forward to singing that song in heaven with her someday! Your friends at PBC love you dearly and are praying for you. If we can help in any way, we will be there!

“ *I am so sorry to hear about Melissa.*

What a beautiful girl she became. I have a special place in my heart for her. I taught her to sing "From the rising of the sun" in bible school one year.

I know th angels are rejoicing but I know your heart is sad. I am truly sorrowful for all of you.

I pray God will send a host of angels for you.

“ October 1994 To Melissa

Melissa "Our little Angel"

Lord in Heaven

Up above

You gave us a...

Little Angel to Love

Please don't tell

Us she must go

For we have all...

Learned to Love her so

I know she is important

In your kingdom, too

But there are many things...

That she must do

Did you send this little one

AS part of your Heavenly plot

To tell us what's important...

And what is not!

Please leave her with us

To play her special part

So we will learn to Love...

From deep within our hearts.

With all my Love,

Mam-Maw

Melissa, I wrote this for you when you were one month old. It breaks my heart that I won't see you here on earth, but I will see you in Heaven!

“ From church to book signing's she was the GREAT HOSTESS. Always making everyone feel special. We were very priviledged to call her friend! Though she has reached the top level of ANGEL status, I know your hearts are broken into pieces only GOD can put back together. As we wait for that reunion day to be with our children know that I stand in prayer with you for PEACE and GRACE for the wait is hard some days but certainly worth it. Love and hugs to all of you, Kimberly, Jake and family

“ *What a sweet, happy person Melissa was! She was a true joy to be around, a kind girl who lit up a room! We are so saddened that she's no longer with us on this Earth, but we have confidence that she and her great-grandmother Mabray, very affectionately known by Big-a-mama to her grandchildren and great-grandchildren, are enjoying each other in heaven.*

Dear Caudles, we know your hearts are heavy. We grieve for you and with you and are praying for that peace that defies understanding. We love you all, the Shippys

“ Our prayers are with you and your family at this difficult time. We had the pleasure of meeting Melissa during the baseball season where my son Jacob played. I particularly remember the day that we took team pictures. Melissa was there. She was such a friendly and happy person. I was lucky enough to sit by the porch and talk with her for a while.

I also always saw her waiting for her bus outside her home when I would pass by on my way to take my son to school. We will all miss her. It is comforting to know that she is now free of pain and in a much better place.

Please know that we are all thinking about you.

Many hugs your way

“ Every time that Melissa was absent and would return to school she would ask me if she was missed? She would ask by name: did Danielle miss me? did Jon miss me? I know she is still asking the question, and - yes, Melissa we do miss you! I know of no tougher person than Melissa, who went through some of the toughest surgeries, multiple times, but always wanted to love and be loved.

“ Melissa, I will miss you terribly. Today John Cochran placed your book on the table and opened the pages for you as always.

To Mom and Dad
I have had a three year old Grandson to pass from this earth so I know what you are feeling. He also was a very sick little boy for his whole three years but he made such an impact on this old earth as Melissa did on all of us. She never failed to say I love you after school every day. I will always remember her sweet voice. Heaven is surley blessed to have her there.
