“ *Merlene,
You earned every feather in your beautiful Angel wings that flew you home to God. A genuine, true lady in every sense of the word. You had a sweet, gentle kindness about you and an infectious smile. You had the strength of all when standing in the face of tragedies and when you'd smile that pretty smile, everyone would know the sun would surely shine again.
Now that sun shines forever brightly on you. Your beautiful soul left alot of beautiful memories here for everyone. Thank you for that.*

Until we meet again

“ *Please accept my deepest sympathies for your loss. When we lose a loved one it is a void that can never be filled. When Jesus was on earth he showed us he would resurrect all our precious loved ones. His Kingdom rule is going to rid this earth of all suffering and pain we see today and it will be a Paradise for all to enjoy for an eternity. God's Word the Bible gives us this comfort. Merlene was one of the sweetest ladies I have ever known. She always had a smile on her face. I just loved to go to the store so we could visit. The last time I was at the store I missed her but told Clint to tell her hello for me. I will continue to miss her but I will never forget her....*
