“ *Mike was such an exemplary young man who loved God, family, life and friends. He was a courageous fighter against all the physical problems that attacked his body. Our remembrances of him will bring satisfactory fulfillment. He will most definitely be missed. We have a blessed hope that we shall see him again in the resurrection at the last day.*

“ *Paula, Evelyn, and families,*

Michael's fight is over. No more transplants, no more medications, and no more suffering. He faced his illness with courage and determination and he was blessed to have such a devoted family by his side with equal courage.

You have been in our prayers since we learned of Michael's illness, and now even more so. May God comfort you.

“ *Uncle Mike,*

You were the best uncle a boy could have ever asked for. We will miss you very greatly. Me and Lauren will miss coming down to see you but I am glad you are out of your pain. I will miss our memories like you taking me and Brianna on your 4 wheeler. You always made us laugh in different ways. It will not be the same without you. I will always treasure your gifts like the pocket watch and my shelf that you made. I know that you and God will be happy because your are out of pain and suffering.

Love always,

Your nephew Austin

“ Mike was such a great guy! He never met a stranger and would always go out of the way to reach out to others. He would always find the top of the mountain to shout from. He will be deeply missed. I know he struggled, but I also know we will gain strength from his battle. He loved his family above all and I find comfort in his devotion. I will pray for God's sustaining power to get you through the tough times.

“ Mrs. Bates,

I don't know if you remember me, but I used to work at HEB. I worked in the photo dept. I remember you always coming in with your beautiful children, with the blonde hair and blue eyes. I know that your husband has fought a long tough battle thru the yrs. I am sorry for your loss. I know that no words can comfort you so I will just be praying for you all. Just lean on Jesus and on your family, because they will be the ones who helps you get thru this. Take care.

“ Dear Family, It was my honor to get to visit with Michael a few months ago. He and I had the opportunity to visit about our schooldays together, and our times together during the summer playing baseball. He was a strong person and he loved his friends and family, and I know that we all have a void in our heart at this time due to his death, but he is at peace now....I will always remember that visit and cherish it for the rest of my days....Rodney Payne
