

Michael Kenneth Doggett

March 31, 1988 - March 10, 2024

Michael Kenneth Doggett, age 35, of Cedar Park, Texas, passed away on March 10, 2024. He was born to Georganna Peterson in Fort Hood, Texas, on March 31, 1988.

Michael is survived by his devoted wife, Brandi; his loving grandmother, Jackie Doggett; his mother and step-father, Georganna and Jerry Peterson; his in-laws, Joshua Coder and Savannah, and James and Rachel Whitmire and their children, Rhys, Kyan, Lyam, and Lync. He is preceded in death by his sister, Misty Lynn May-Wilcox.

Michael was a shining light in the lives of all who knew him. He had an infectious personality and never met a stranger. With his warm smile and outgoing nature, he made everyone feel loved and important. Michael had a remarkable ability to remember faces and was truly a people person.

In his professional life, Michael found fulfillment in the service industry, dedicating over a decade to serving others. He discovered a passion for craft beer during his time at Red Horn Coffee House and Brewing Co., where he worked for eight years. It was there that he met his business partner, Safir Ahmed, and together they realized their dream of opening Obsidian Brewery last November. Michael poured his heart and soul into the brewery, and his legacy will live on in every pint.

Michael's joy knew no bounds when he learned that he and Brandi were expecting their first child, due in June. He was eagerly anticipating becoming a father and was filled with excitement for this new chapter of his life.

Cremation arrangements are under the compassionate care of Griffin-Roughton Funeral Home. A memorial service will be held at a later date to celebrate Michael's life and legacy.

Michael will be deeply missed by his family, friends, and all who had the privilege of knowing him. May his memory bring comfort and strength during this difficult time, and may he forever live on in our hearts.
