“ *Reverend Michael Hunter was the preacher at Marquez United Methodist Church when we first started attending there. We enjoyed many a sermon from him. He was a kind hearted man with a great smile. He made the perfect Santa with his long, white beard. He will truly be missed.*

“ Lille and Hunter family,

My most heartfelt sympathies to each of you. I know your hearts are hurting, but I also know your trust is in the Lord. In HIM, you will find comfort and solace from the grief you now share. Please know that you will be in our prayers.

Michael (Big Red, as I always called him) was the closest thing I ever knew to Grizzly Adams . . . a BIG MAN, with a BIG HEART. I was SO looking forward to seeing him this coming weekend, in Corsicana, with The Others. I guess, he'll have to enjoy our music from above, but "down here" we'll miss him, greatly. 2 Tim 2:11

“ God has called home one of His true ambassadors. Mr. Hunter was a friend and mentor to me as a youth, and continued that into my college years. He served as our youth director and was a pillar of support for me. For that, I am truly thankful. I know I am one of many that were blessed to know Mike. My thoughts and prayers are with the Hunter family during this time. God Bless.

“ Deepest sympathy to beloved family, each one so special to Michael. Have not met all of you, but feel I know you because Michael talked of you when we visited over the many years of serving God through Youth Ministry. Thanks for sharing him with so many youth and adults. He was a dedicated servant with a huge heart for God and God's People.
So sad I am unable to attend the service. Will keep you in my prayers.
It was a blessing to have known and to have served The Lord with Michael.
May God's Love and Peace continue to surround you and comfort you.

“ Lillie and girls...my heart is saddened so much in your loss of Mike. He truly was "one of a kind." When the family first came to this area, I did not know his name for a long time. I just called him "Frito Man" and he always answered me, with a smile. I did finally learn his name, but through all my dealings with him, he was always such a gentleman and willing to help in any way that he could. With all the helpful, good things he did for people, the most important thing is that he was "God's Man" and that means we will see him again one day. May the God that he loved, help you and the family during these most difficult times of your life. He was much too young to leave his family and friends, but God sees the big picture and needed Mike with Him. God Bless You and Comfort You.

“ Lillie, Jeri and Maxi, So sorry for your loss, have not seen you in a
long time but hope you remember me, I remember all of you
including Mike. I used to take care of Jeri and Maxi in Daycare in
Buffalo some and I think I remember Lillie having a day care also
and Jason went there some. I know what you are going through and
I lost my husband in 2007 and my Dad in 2009. It is tough but just
remember he is in a far better place. As you grieve, take comfort in
your fond memories and the good times you all had.
