“ *Mike Lindley - Someone we just assumed would be around forever!
So full of life and love for cattle and his kids. Oh my goodness -
seemed like he never slowed down. We will always remember his
fun and friendly personality and willingness to help! He was sooo
driven, but always had the time to share a funny story and a good
laugh! Hang in there girls - and hold on to the good stuff!
Much Love,

“ Mike was a very proud father & loved to talk about his daughters. He was also a friend you were glad to have, always willing to help no matter what you were doing. If you were having a bad day you could count on him to make you laugh. He was always full of pranks, from throwing fire crackers at you over the top of his monster tool box or busting stink bombs around you. He will be missed. May the Lord comfort you in these hard times. My prayers are with your family.
God Bless

“ I'm sorry for your lost, he love his girls very much. I will miss my friend and neighbor. He always had a smile and a wise crack for me. Always picking on me and giving me a hard time at the cafe or store. We had some good laughs. Remember always that he was well like and love here. God bless each one of you.

“ For if we believe that jesus died and rose again, even so God will bring with Him those who sleep in Jesus. For this we say to you by the word of the Lord, that we who are alive and remain until the coming of the Lord will by no means precede those who are asleep. For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. Then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air, and thus we shall always be with the Lord. Therefore comfort one another with these words.

1 Thesalonians 4:14-19

“ We are so sorry to hear that Mike has passed away. I didn't know him that well personally but I did know that he loved and was so proud of all of his girls. And I know he loved showing cattle which is about all I ever saw him doing.

Brandon is very sad and wanted me to pass along his sincere condolences because he said he's not good at this kind of stuff.

Lean on each other during this time and stay close to each other, that's what your Dad would want.

Hugs,
