The second of four children to Arzell and George Westover. At an early age Mike's family moved from Pasadena and settled in Streetman. Mike eventually moved to Corsicana and for many years managed the muffler shop on the corner of Beaton and 7th Ave. We know many people will remember his jolly sense of humor and great smile. He was a friend to many Corsicana residents. He is preceded in death by his mother and father, Arzell and George Westover. Survivors include his brothers and sister, George Jr., Patrick and Bonnie. They are saddened by the early loss of a caring and loving brother, and will always remember him that way. He is also survived by many loving nieces and nephews who miss Uncle Mike. Mike retired several years ago from the Muffler Shop for health reasons, and was enjoying a life of retirement with his fiancée Berna Arredondo. Mike also enjoyed the outdoors and collecting guns and knives. Anyone who came in contact with Mike will remember him. We hope you never forget him, he continues to live in the hearts of his family members. It's not goodbye Mike, it's we'll see you later. “ *I've known mike since I was a young kid. Use to go to the muffler shop with my dad, him and mike were buddies. As I got older he worked on my cars as well. When I was in my twenties I got to go to a gun show with him and Joey burleson. We had some laughs in those days. Went gun shooting with him as well, he was a great guy whom I enjoyed knowing very much. I will cherish those memories that I shared with him. To mikes family I would like to say I'm very sorry for your loss. R. I. P. My friend.*

“ *My sympathies go out to Mike's family. I have known him a very long time. He use to hang out with my husband Dale sometimes and it seemed like we were always going by the muffler shop for something. He was such a nice person. Please accept my condolences.*

“ Mike you will be missed. You were always a friend that someone could count on, and never expected anything in return. Your friendship has been a blessing to all that were lucky enough to be considered your FRIEND. Heaven is an even better place now that you are there.

“ Mike, I honestly can't believe your gone, I'm going to miss all the fun we had, telling jokes, going out to eat, fishing, and mostly all the advice you gave Me about life, and how i should appreciate it, you were the first REAL father I ever had, which makes this so much harder for Me, but don't worry, I'll take care of mom, and john the cat, I love you Mike, I'll see you again one day.
