“ *Michelle was a ray of sunshine to me and my family especially over the last 3 years. She helped me and my family through the loss of my Dad, helped me stay positive when MS would get me down and so much more. Her laugh and smile will be something I never forget. The love she shared with others was amazing. Family or not if she loved you it was a fierce love. Me and my family thought of her as family, she was our family. I'm going to miss her so much. Her energy and caring nature were so wonderful. Every time I eat cotton candy I'll think of Michelle. I love you beautiful lady. RIP*
