“ *"Uncle" Mike was one of the friendliest, most generous men we have known. He always shared a kind word, and his huge smile was contagious. He was very giving. We especially thank him for his kindness and generosity toward our son, Lee. Our prayers are with the family, especially Maria, at this sad time.*

“ I want to thank everyone who has visited this guestbook Especially deep Gratitude for the family who helped us through our toughest time.

To my dad I love you so much and thank dad for being there when I needed you being the person that you were!

Our father who art in heaven  
I bring my father up to you  
Asking you to forgive his every sin  
As he makes a journey to you  
We pray that his soul is not forsaken  
Bless this proud man  
Allow him to walk hand in hand with you  
Purify Him from his trespasses  
Dispel him of his sorrows  
And change his darkness to light  
Cause him to enter the garden of happiness  
Cleanse him with the most pure water  
And grant him to behold thy splendors  
On the loftiest mount  
Help the rest of us to be strong  
And carry on with his name  
Teach us to be better people to one another  
Allow us to move on with our daily lives  
As the loss is felt the sorrow is great  
Amen
