“ *It is with a very sad heart to say to Mike's family how much I enjoyed being around Mike. Play softball together for many years, fishing, no might what. He and Donna will also have a special place in my heart. From the time he and Donna married it has been a wonderful life. I will miss him and that special grin he always gave. Rest in peace my friend, until we meet again. Jimmy Dawson*

“ One of the most competitive men I ever encountered on the golf course or tennis court. A good friend and loving father and husband.

“ Now there's so many memories I really can't think of all of them but one thing I always wondered all the years we umpired together was how he talked me into umpiring both games behind the plate. I thought he had a bad knee or a bad back but when I looked in the field he was eating candy with the kids. Our condolences to Donna and the family. I'll miss his phone calls and visits. Sending prayers for comfort. Love you.
