“ Pam, it's been a long time since we've seen each other or even talked to one another. I had to tell you though how sorry I am for your loss. Millie was one of a kind, that's for sure. You, Linda and Clif will be in my prayers. May God give you strength in your time of need.

“ Oh how sweet Millie was. My first memories were back in my elementary years at Lee School. The Tramels lived right across from the school. Then Dyer's Dept. Store. She was always ready to help me with the newest outfit. Always so sweet and willing to help everyone. I also remember when Mae Lyons had her 80 something birthday at Northside Church and Millie imitated Minnie Pearl. What memories. Cliff...your mom was a fine lady and will always be remembered as a loving and hard working lady. My prayers are with your family. Love, Debbie

“ What wonderful memories I have of Millie. I spent so many years at Dyer's growing up. She was such a dear friend, I haven't seen her in awhile, but I would always think of her when I would drive by her house. My heart goes out to you all in the days to come. Heaven has received another beautiful angel to watch over you. God Bless You.

“ We were so saddened to hear of Millie's passing. I will never forget meeting her as I shopped at Dyer's when I first moved to Corsicana. She was always there ready to assist in any way. She would always remember you and what you liked and didn't like. Then, at church, always ready with that sweet smile and a hug. As her eyesight failed, she knew it was me by listening to the way I walked!! What an amazing lady. I will miss her very much.

“ I first met Millie at Memorial Baptist Church and then our friendship crossed over to Northside where she included my mother, husband and daughter and Kim and I will never forget the time she came to our house for a short visit(after I had been in the hospital)and then I had the good fortune of visiting with her at the care center and she gave me a great big hug and said REMEMBER I LOVE YOU AND IF YOU EVER NEED ANYTHING JUST CALL AND i WILL ANSWER.We will miss her but we have the good memories to hold on to the rest of our lives.

“ Millie was one of those people who leave a distinct impression on a young person's life. I was a tween at the church and her home was always open to me to play with her children, be a part of her life. She was so much fun and enjoyed every day. My sincere condolences to her family. She was one of a kind! My mother, Frankie Anderson, loved her too!

“ Pam I just found out about Millie's passing and I was so sad to hear about it. I had known Millie as long as I can remember. I knew her before my mom started taking me to Dyers when I was about 12 or so. Millie never let anyone else wait on me in all the years I shopped there, she would always tell the other sales people that she was the only one who knew what I liked, which was so true. Even after I moved away and would come back for visits, Millie was the one who took care of me. She always had a smile, a big warm hug and a way that always got me to buy more than what I went in there for. Though it has been a while since I've seen her I could never forget her laugh or her genuine love of people. She was truly one of a kind and will be greatly missed by all who knew her.

“ Our most sincere thoughts and prayers are with Millie's family and friends. When we first came to Northside Baptist Church in 1993 Millie was one of the first people to greet us. Our youngest daughter, Amanda, was only 2 years old and when Millie talked to her she would shy away. Millie was persistent in getting Amanda to come to her and talk to her to get her to overcome her shyness. This went on for about 4 more years until Amanda went into kindergarten. One Sunday, Amanda walked up to Millie and gave her a great big hug and they had a bond since that time. Millie was a special person and she will be so very missed. We know that Millie is in God's loving care now and she will forever be hugging us in our hearts. Peace be with you sweet Millie. We love you so much!

“ Pam & all Millie's family, I was so sorry to learn of Millie's passing. She was a special lady. Wish there were words to help you thru, but there's nothing I can say, except I'm sorry. Pam, it was cso good to run into you in the store not long ago, it's sad how we loose contact with people. Time will ease the hurt, you are in my thoughts & prayers.
